. Bhool Bhulaiyaa is a 2007 Indian horror comedy film directed by Priyadarshan and starring Akshay Kumar, Paresh Rawal, Ameesha Patel..Sherwin Synagogue Sherwin Synagogue is a synagogue in Newtownards, County Down, Northern Ireland. History The present-day building was erected in 1855 to a design by the Belfast architect William Kirkwood, and enlarged in 1887. It was named in honour of the Jewish philanthropist Albert Herzmann Sherwin, a Belfast merchant who was chairman of the Orangemen's Club. In the 1880s, the congregation became affiliated to the Unionist Party, and supported the Ulster movement. The synagogue was heavily damaged in the riots of August 1969. It was again vandalised during the Troubles. People have been listing their experiences and using the hashtag to describe their experience of trying different types of cannabis - in smoking and cooking. A lot of responses are very positive, sharing the changes in their lives as a result of the increased access to cannabis. But the hashtag has also had a negative effect. A previous #CannabisMadness hashtag experienced a surge of people tweeting about positive cannabis experiences. We had a view of the positive side of using cannabis, and a huge impression had been made. When they realised what people really were getting away with, the hashtag was brought back to its less reputable roots. And this led to a fresh surge of people posting their negative experiences on twitter. So, in the hope that this year's #CannabisMadness hashtag remains a positive one, here are some of the things that people are saying.
